INFORMATION DISCLOSURE STATEMENT BY APPLICANT

Applicant accidentally forgot to include a two page INFORMATION DISCLOSURE STATEMENT, to cover the items referred to in his May 10, 2006 response. Applicant respectfully apologizes for any confusion this has caused. The Barcol-Air data titled "Air Pressure and Building Envelopes" was addressed on pages 29-31 of said May 10, 2006 response, and are included with this filing. The applicable pages of the Lstiburek thesis, titled "Air Pressure and Building Envelopes", were addressed on pages 31-40 and were attached to said May 10, 2006 response, as exhibit's A-O.

The Whitmore, U. S. patent number 4,606,228, published on August 19, 1986, was addressed on pages 45-52, of said May 10, 2006 response. I hereby declare that the ASHRAE Handbooks were first reviewed by the Applicant on April 4, 2006 and addressed on pages 52-59 and were attached to said May 10, 2006 response, as exhibits P-Z. I did not disclose this ASHRAE data earlier because I thought that their "teachings" were common knowledge, that did not need to listed.

Applicant respectfully request that this additional information be considered and that this patent be granted, as submitted.
